

MOBILE APP

Alerus has a mobile app, available in both the iTunes app store and the Google Play marketplace. The mobile app gives you on-demand access to your retirement account information through your smart phone or iPad. Check your balance by source and investment, review contributions, and view your personal rate of return.

SEE IT IN ACTION

- Visit alerusrb.com to view a demo.
- Search for Alerus in iTunes or the Android Market to see a full product description, ratings, and reviews.

INSTALL THE APP

- Search **Alerus** in the app market on your phone or iPad and download the app.
- Log in to the app with your existing Alerus **User ID** and **Password**.
- You will then be redirected to our website to log into your account. In the **Alerts** section click on **New Mobile Device Detected**, check the box for the device, and then click **Save**.
- Once your phone is authorized, you can access your account within the app.

Protecting your identity and account information is our top priority. Because of this, we have a multi-step authorization process to ensure that only you can access your retirement account information.

If you have questions or need help installing the mobile app please contact a call center representative at 800.433.1685

Activity	Balance
Beginning Balance	27,063.93
